GÄRSNÄS OPENS A NEW SHOWROOM IN VASA PARK

This spring we will be moving our showroom to the new art museum in Stockholm's Vasa Park: Sven-Harrys Konstmuseum. The building will also house exhibitions of contemporary art on several floors plus a roof terrace with a sculpture park, a restaurant and a small number of homes. Sven-Harrys Konstmuseum is designed by Gert Wingårdh Arkitektkontor. The museum interior furnishings are by Åke Axelsson Arkitektkontor.
